

Clash Tops Procedure

Thank you for being the Team Manager and arranging for the collection of clash tops when required.

It is the responsibility of the home team or first named team on the fixture to organise the clash tops when two Cannons teams are scheduled to play. In finals, it is the responsibility of the lower ranked team to arrange and wear the clash tops. Also remember to change the numbers on the electronic scoring at the game!

The procedure is to contact the Clash Top Co-ordinator preferably by no later than Wednesday, for Friday and Saturday games.

It is best to SMS the Co-ordinator, Karen Mathers, on 0400 800 746 to arrange collection.

When you do so please provide:

1. Your team name including the age and whether it is Girls or Boy eg U14B ZIB or U16G MCD
2. Your preferred size – eg Size 16
3. Your opponent's name as this helps me ensure that clash tops are not given out to both the home and away, as sometimes the Team Manager from the away team contacts me first.

At my earliest convenient time, I will advise you by SMS that the tops are available for collection and will advise the best pick up point. At any one time there may be several sets of clash tops in the box, so please ensure you collect the correct set.

Some Team Managers of the away team like to know that the home team has collected or arranged to collect the clash. If you would like to check it is best you check with the Team Manager of the opposing team, but if you are unable to contact them, then I am happy for you to SMS me to check, by providing the above information.

We have a number of clash top sets and nearly all have 9 tops. There is 1 set which only contains 8 tops, as unfortunately 1 was lost in the past. We have numerous teams which play each other throughout the season and there has been as many of 7 sets out for the one week. Therefore, it is important that the tops are returned promptly to be available for the following week. So please:

1. Wash, dry and return the clash tops no later than Tuesday night following your game.
2. When you have done so, please SMS me to let me know you have returned them. In a week when so many tops are out this will help me keep track of who has returned or not returned, their set.

Thank you

Karen Mathers
